

BIOMIMICRY DESIGNER

Jonah Tien

PROFILE

Hi! I'm Jonah Tien, and I'm passionate about biomimicry: nature-inspired design. I'm a second year student at the University of California, Los Angeles studying Cognitive Sciences. I'm in the intersection of entrepreneurship with technology and constantly pursuing opportunities connecting the two.

EXPERIENCE

DESIGN OFFICER, TIEN INNOVATIONS; CUPERTINO, CA – 2021 - PRESENT

- Designed and created The Baskingshark Mask: the most breathable translucent mask on the market
